

## Independent Swimmer Consent Form

Fill out and return if you have a child aged 10–14.

An “Independent Swimmer” is a child under the age of 14 that can swim a full length of the pool without assistance. The Pool Manager or Assistant Manager must test the child(ren) to receive the Independent Swimmer designation.

Children ages 10 - 14 must have written parent/guardian consent to attend the pool without parental supervision. Children who are 9 years old, or younger, must always have a parent/guardian in attendance or a PRA Parental Consent Form on file.

Your signature indicates your consent for the following child(ren) to swim independently:
